

300X600MM
GLOSSY COLLECTION | VOL-3

The shades that comprise the Glossy series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the glossy collection are seen best in the three dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Caddle interprets an assemblage of tradition, which combines perfectly with the rest of the collection.

Exploring The Beauty of Colours

we have collected the most relevant in modern design from maximalise with a riot of tropical colours to the supremacist SUPREME motifs, modernist panels. We were inspired by everything that has become the pinnacle of interior fashion the rethinking of traditional ornaments and shapes, pronounced textures, pure colours and delicate shades in harmonious and contrasting combinations, unusual patterns and graphics.

When vividness of dreams gets inspired by the opulence of nature begets a creation which exudes both grandeur and evergreen elegance quite naturally. We at Hi the design has drawn inspiration from the myriad moods of nature and have given them the touch of grand reality through our marvelous creations.

Design For Your Space.

When a genius is at play, it's the juxtaposition of superiority and supremacy at every phase.

Reinventing
the traditional
to suit the
contemporary
needs.
